

Inquiry for Quotation

Inquiry for quotation for Habor cooling units

Habor Distribution Germany

a&g automation and gears GmbH

Am Sandbühl 2

D-88693 Deggenhausertal

Tel.: +49/7555/92788-0

Fax: +49/7555/92788-01

Mail to: info@aundg.com

Web: www.aundg.com

To ensure a speedy processing of your inquiry, please provide detailed information on the requirements for your cooling unit as follows:

Type of the cooling unit (based on the cooling medium):

- | | |
|---------------------------------------|-----------------------------------------|
| <input type="checkbox"/> Oil cooler | <input type="checkbox"/> Air cooler |
| <input type="checkbox"/> Water cooler | <input type="checkbox"/> Heat exchanger |

Cooling capacity (in Watt, at 50 Hz):

- | | |
|-------------------------------------------|--------------------------------------------|
| <input type="checkbox"/> less than 1000 W | <input type="checkbox"/> 8000-10000 W |
| <input type="checkbox"/> 1000-3000 W | <input type="checkbox"/> 10000-13000 W |
| <input type="checkbox"/> 3000-5000 W | <input type="checkbox"/> more than 13000 W |
| <input type="checkbox"/> 5000-8000 W | |

Ambient temperature:

- | | |
|-------------------------------------|-------------------------------------|
| <input type="checkbox"/> below 45°C | <input type="checkbox"/> above 45°C |
|-------------------------------------|-------------------------------------|

Temperature control:

- | | |
|----------------------------------------------------|-----------------------------------------------------------|
| <input type="checkbox"/> Fixed temperature control | <input type="checkbox"/> Differential temperature control |
|----------------------------------------------------|-----------------------------------------------------------|

Tracking type (only differential temperature control):

- | |
|---------------------------------------------------|
| <input type="checkbox"/> machine body temperature |
| <input type="checkbox"/> ambient temperature |

Optional components and parameters (please tick if necessary):

- | | |
|---------------------------------------------------------------------------------|-----------------------------------------------------------------------|
| <input type="checkbox"/> High-precision cooling through PID control (+/- 0,1 K) | <input type="checkbox"/> Tank |
| <input type="checkbox"/> Pump | <input type="checkbox"/> Agitating motor (only oil coolers HK series) |
| <input type="checkbox"/> Heater | <input type="checkbox"/> Timer |

Power connection:

- | | |
|------------------------------------|------------------------------------|
| <input type="checkbox"/> 1 x 220 V | <input type="checkbox"/> 3 x 220 V |
| <input type="checkbox"/> 3 x 400 V | Other: |

Mounting type (only air coolers and heat exchangers):

- | | |
|------------------------------------------|-------------------------------------------|
| <input type="checkbox"/> Inside mounting | <input type="checkbox"/> Outside mounting |
|------------------------------------------|-------------------------------------------|

Application of the cooling unit (see Habor catalogue, page 1):

Order quantity (expected):

Project period (expected):
